

Agile Open Northwest 2008

An Open Space event discussing Agile practices and techniques
March 18 & 19, 2008 • Seattle Center
\$100/person - Space is limited, sign up today!

Agile Open Northwest, an alliance of agile practitioners in the US Pacific Northwest region, presents Agile Open Northwest 2008.

Agile Open Northwest offers an opportunity to strengthen our community of practice and co-create the future for agile development.

We follow an Open Space format to foster collaboration and allow the conference to take its direction from the participants themselves.
